Top 10 Cheapest Unlocked Smartphones in 2026

Description

Top 10 Cheapest Unlocked Smartphones in 2026

As technology continues to evolve, smartphones have become more affordable without sacrificing essential features. In 2026, budget-conscious consumers can find high-quality unlocked smartphones that offer great performance, decent cameras, and reliable battery lifeâ??all at a fraction of the cost of flagship models. Whether youâ??re a student, a first-time smartphone buyer, or someone looking for a secondary device, this list highlights the **top 10 cheapest unlocked smartphones** available in 2026.

default watermark

1. Samsung Galaxy A06

Price: ~$99
Key Features:
â?? **Display:** 6.5-inch HD+ LCD
â?? **Processor:** Exynos 7884 (efficient for basic tasks)
â?? **RAM/Storage:** 3GB + 32GB (expandable via microSD)
â?? **Camera:** 13MP main + 2MP depth sensor
â?? **Battery:** 5,000mAh (long-lasting)
â?? **OS:** Android 14 (One UI Core)

The **Galaxy A06** remains one of the most affordable Samsung smartphones, offering a smooth user experience for everyday tasks like calling, texting, and light social media use.

2. Motorola Moto E32

Price: ~$109
Key Features:
â?? **Display:** 6.5-inch 90Hz HD+ LCD
â?? **Processor:** MediaTek Helio G37 (decent for budget gaming)
â?? **RAM/Storage:** 4GB + 64GB (expandable)
â?? **Camera:** 50MP main + 2MP macro
â?? **Battery:** 5,000mAh with 18W fast charging
â?? **OS:** Android 14 (near-stock experience)

The **Moto E32** stands out with its **90Hz display**, making scrolling and animations smoother than most budget phones. Itâ??s a great choice for those who want a near-stock Android experience.

3. Nokia C300

Price: ~$119
Key Features:
â?? **Display:** 6.52-inch HD+ LCD
â?? **Processor:** Qualcomm Snapdragon 480 (5G-capable)
â?? **RAM/Storage:** 3GB + 32GB (expandable)
â?? **Camera:** 13MP main + 2MP macro + 2MP depth
â?? **Battery:** 4,000mAh (solid endurance)
â?? **OS:** Android 14 (Go Edition)

The **Nokia C300** is one of the cheapest **5G smartphones** in 2026, making it a future-proof option for budget buyers. It also features **Android Go**, which is optimized for low-end hardware.

4. TCL 40 XE

Price: ~$129
Key Features:
â?? **Display:** 6.56-inch 90Hz HD+ LCD
â?? **Processor:** MediaTek Dimensity 700 (5G)
â?? **RAM/Storage:** 4GB + 64GB (expandable)
â?? **Camera:** 13MP main + 2MP macro
â?? **Battery:** 5,000mAh with 18W charging
â?? **OS:** Android 14

The **TCL 40 XE** offers **5G connectivity** and a **90Hz display** at an unbeatable price. Itâ??s ideal for users who want a smooth experience without breaking the bank.

5. Xiaomi Redmi A3

Price: ~$139
Key Features:
â?? **Display:** 6.71-inch HD+ LCD (90Hz)
â?? **Processor:** MediaTek Helio G36 (good for light gaming)
â?? **RAM/Storage:** 4GB + 64GB (expandable)
â?? **Camera:** 8MP main + 0.08MP depth
â?? **Battery:** 5,000mAh with 10W charging
â?? **OS:** MIUI 15 (based on Android 14)

The **Redmi A3** is one of the best **budget gaming phones** in 2026, thanks to its **90Hz display** and **Helio G36 chipset**. Itâ??s a great choice for casual gamers.

6. Realme C67

Price: ~$149
Key Features:
â?? **Display:** 6.72-inch FHD+ LCD (90Hz)
â?? **Processor:** MediaTek Helio G85 (solid performance)
â?? **RAM/Storage:** 6GB + 128GB (expandable)
â?? **Camera:** 50MP main + 2MP depth
â?? **Battery:** 5,000mAh with 33W fast charging
â?? **OS:** Realme UI 5.0 (Android 14)

The **Realme C67** offers **6GB RAM and 128GB storage** at an incredibly low price, making it one of the best value-for-money smartphones in 2026.

default watermark

7. BLU G93

Price: ~$159
Key Features:
â?? **Display:** 6.8-inch FHD+ LCD
â?? **Processor:** MediaTek Helio G99 (strong for budget gaming)
â?? **RAM/Storage:** 8GB + 128GB (expandable)
â?? **Camera:** 50MP main + 2MP macro + 2MP depth
â?? **Battery:** 5,000mAh with 30W fast charging
â?? **OS:** Android 14

The **BLU G93** is a **hidden gem** in the budget segment, offering **8GB RAM and 128GB storage** â??specs usually found in mid-range phones.

8. Infinix Smart 8 Pro

Price: ~$169
Key Features:
â?? **Display:** 6.6-inch HD+ LCD (90Hz)
â?? **Processor:** MediaTek Helio G36
â?? **RAM/Storage:** 4GB + 64GB (expandable)
â?? **Camera:** 50MP main + AI lens
â?? **Battery:** 5,000mAh with 10W charging
â?? **OS:** XOS 13 (Android 14)

The **Infinix Smart 8 Pro** is a **great all-rounder** with a **90Hz display** and a **50MP camera**, making it one of the best budget phones for photography.

9. ZTE Blade A73 5G

Price: ~$179
Key Features:
â?? **Display:** 6.52-inch HD+ LCD
â?? **Processor:** MediaTek Dimensity 6100+ (5G)
â?? **RAM/Storage:** 4GB + 128GB (expandable)
â?? **Camera:** 13MP main + 2MP macro
â?? **Battery:** 4,500mAh with 22.5W fast charging
â?? **OS:** MyOS 13 (Android 14)

The **ZTE Blade A73 5G** is one of the **cheapest 5G phones** in 2026, offering **128GB storage** and **fast charging** at an affordable price.

default watermark

10. Tecno Spark 20 Pro

Price: ~$189
Key Features:
â?? **Display:** 6.78-inch FHD+ LCD (120Hz)
â?? **Processor:** MediaTek Helio G99
â?? **RAM/Storage:** 8GB + 256GB (expandable)
â?? **Camera:** 108MP main + 2MP depth
â?? **Battery:** 5,000mAh with 33W fast charging
â?? **OS:** HiOS 13 (Android 14)

The **Tecno Spark 20 Pro** is the **most premium option** on this list, offering a **120Hz display, 108MP camera, and 8GB RAM**â??specs that rival mid-range phones.

Final Thoughts

In 2026, **unlocked budget smartphones** have become more powerful than ever, offering **5G connectivity, high-refresh-rate displays, and large storage** at incredibly low prices. Whether you need a **basic phone for calls and texts** or a **budget gaming device**, thereâ??s an option for every need.

For the **absolute cheapest**, the **Samsung Galaxy A06** and **Motorola Moto E32** are excellent choices. If you want **5G**, the **Nokia C300** and **ZTE Blade A73 5G** are great picks. Meanwhile, the **Tecno Spark 20 Pro** offers **premium features** at a fraction of the cost of flagship phones.

With so many great options, thereâ??s no need to spend a fortune to get a reliable smartphone in 2026.
